ULTimaTe GlaMouR PARTY!!

WHAT...

...INVITE your friends for a "private afternoon" of glamour and fun... festivities include as "fancy as you want" hairstyles of curls and braids, with a dash of fairy dust and a twirl of ribbon, in addition to a manicure with your favorite nail color!! And, of course a fun goodie bag for you and all your friends...

While girls are waiting their turn they can watch their favorite video on our many TV's or rock-out on the karaoke machine... if this isn't enough we recommend bringing a favorite project, craft, or game...
